Reliable Law Services is committed to ensuring its services and website are accessible to people of all abilities and disabilities. We regularly engage in reviewing our site and amending / adding features to address any deficiencies, enhancing accessibility.

All our content has been produced in a standardised format, using simple English to provide a straightforward browsing experience.

We have incorporated the following features to enhance accessibility:

- Using and maintaining a standard menu navigation system throughout.
- Using titles, subtitles, headings, paragraphs and bullet points where appropriate, creating a logical content structure.
- Using a design layout that works adequately with a range of screen resolutions.
- Using contrasting colour combinations for background and text, improving readability.
- Ensuring all hyperlinks, both external and internal, use descriptive text thus avoiding confusion as to where the link will redirect.
